Maize, beet molasses, dried, barley, Rapeseed meal, stock, soybean meal (HP), stock, hulled seed, steam-heated, oat hull bran, beet molasses, sunflower meal, stock, rapeseed oil, calcium carbonate, sodium chloride, calcium sulfate.

Technological additives per kg:

2.2 mg Sepiolite(E562)

Composition:

wheat bran, wheat, barley, wheat gluten feed, triticale, sunflower extraction meal, calcium carbonate, vinasse, beet molasses, sodium chloride

Product properties:

mawel Leckschale is ideal as a year-round mineral supplement for sheep and goats. It can be optimally used in the stable as well as in the pasture keeping. **mawel Leckschale** supplies your animals not only with all important bulk elements, but also with vital trace elements. Available as 10kg or 2kg lick tray, which offers a practical mounting option for the stable wall.

mawel

Feeding advice:

This mineral feed may only be fed to sheep at up to 1.5% of the daily ration (88% dry matter) because of the higher levels of additives (vitamins A, D3 and trace elements) compared to complete feeds.

Available in 2 kg and 10 kg
